A CATALOGUE

OF

GREENHOUSE PLANTS, HARDY TREES, EVERGREEN SHRUBS, FLOWERING SHRUBS, BULBOUS ROOTED, AND HERBACEOUS PLANTS,

ARRANGED BY THEIR BOTANIC AND ENGLISH NAMES.

With a collection of the most esteemed varieties of FRUIT TREES

SOLD BY DAVID AND CUTHBERT LANDRETH, NURSERY AND SEEDSMEN, Federal street, near the Arsenal, Philadelphia.

PHILADELPHIA: PRINTED FOR THE PROPRIETORS, Fry and Kammerer, Printers 1811.
GREENHOUSE PLANTS.

ADELIA
porulosa
sp—?

Agapenthus
umbellatus

Agave
americana
v. variegata
virginica

Aloe
linguiformis
verrucosa
variegata
ferox

Amaryllis
Atamasco
equestris? *flora pleno*
formosissima
longifolia
undulata
vittata
latifolia
sp. nova

Adelia.
poroulous.
May-berries.

Agapenthus.
umbel flowering.

American Aloe.
great American.
*striped leaved.*
Virginian.

Aloe.
tongue-shaped aloe.
warted tongue aloe.
partridge-breast aloe.
prickly aloe.

Amaryllis.
Atamasco lily.
*Double flowering Cuba lily*
Jacobæa lily.
long-leaved Cape lily.
waved lily.
ribbon lily.
broad leaved Indian lily.
a new species from Sumatra.

Andromeda
axillaris
formosissima
coriacea
ferruginea

Andromeda
axillary
pipe-stem wood.
leathery leaved.
ferrugineous.
Greenhouse Plants.

Anthyllis barba Jovis hermanniae
Annona parviflora
Arctotis superba
Arbutus Andrachne serratifolia unedo
Artemisia argentea
Asclepias parviflora gigantea
Ascyrum multicaule stans
Aster frutescens
Aucuba Japonica
Arum esquelentum
Babiana villosa
Baccharis angustifolia
Bignonia pandorana

Silver-bush. Jupiter's beard. lavender leaved.
Annona. small flowering.
Arctotis. superb.
Strawberry-tree. sawed leaved Andrachne strawberry tree.
Artemisia. silvery.
Swallow-wort. small flowering shrubby. Auricula tree.
St. Peter's wort. branchy. upright.
Aster or Starwort. shrubby.
Gold tree. Japan gold tree.
Arum. eatable.
Babiana. downy.
Baccharis. narrow leaved.
Trumpet flower. New Holland.
capreolata
sempervirens
two leaved.
yellow jessamine of Carolina.

Bumelia
reclinata
lanuginosa
lycioides
Bumelia.

Lycombe-like

Bupthalmum
frutescens
Ox-eye.
shrubby.

Buxus
balearica
Box tree.
Minorca.

Cactus
sp. nova
novae
flagelliformis
heptagonus
Cactus.
common Indian fig.
a new species from Cumberland island.
creeping Cereus.
upright seven-angled.

Callicarpa
americana
Callicarpa.
American.

Calla
æthiopica
Calla.
Ethiopian.

Calycanthus
præcox
Allspice or sweet scented Shrub.
Chinese.

Camellia
Japonica
v. flore pleno rubra
v. flore plena alba
v. flore pleno variegata
Japan Rose.
single red.
double flowered red.
double flowered white.
variegated double flowered.

Cantua
coccinia
Cantua.
scarlet.
A 2
Greenhouse Plants.

Ceanothus
  erythorhiza
  microphyllus

Cessalpinia
  sp.

Chamaerops
  hystrix

Cineraria
  lanata

Cissampelos
  smilacine

Cistus
  creticus
  incanus
  salvifolius

Citrus
  medica
  acre
  v. variegata

  bergamense
  chinense
  decumanum
  myrtifolium
  limon
  lima

Coffeea
  Bengalesis

Collonsonia
  anisatum

Jersey Tea.
  red root of Georgia.
  small leaved.

Palmetta.
  porcupine palmetto or palm.

Ashwort.
  woolly.

Cissampelos.
  smilax like.

Rock Rose.
  Cretan.
  hoary leaved.
  sage leaved.

Citron Tree, Orange Tree.
  citron tree.
  Seville orange tree.
  variegated Seville orange tree.
  bergamot orange tree.
  Chinese dwarf orange tree.
  shaddock tree.
  myrtle leaved orange tree.
  lemon tree.
  lime tree.

Coffee Tree.
  Bengal coffee tree.

Collonsonia.
  aromatic or Florida tea.
Greenhouse Plants.

Cookea punctata
Coronilla coronata
Correa alba
Crinum nervosum
Croton sp.
Curcuma zerumbet zedoaria viridiflora
Cyclamen persicum album
   v. basi purpureo.
   v. basi rubro
   carneum
Cytisus linifolius purpureus argenteus hirsutus supinus
Daphne odora pontica collina cneorum alpina laureola
Cookea.
dotted.
Coronilla.
nine leaved.
Correa.
white flowering.
Crinum.
large leaved.
Croton.
striped leaved.
Turmeric.

Cyclamen or Sow bread
   white Persian.
   purple bottomed white flowering.
   red bottomed white flowering.
   blush coloured.
Cytisus.
   flax leaved.
   purple flowering.
   silvery leaved.
   hairy.
   trailing.
Daphne.
sweet scented.
   Pontic.
   narrow leaved.
   Alpine.
   spurge laurel.
Greenhouse Plants.

Decumara sarmentosa

Diosma ericoides

Dracocephalum canariense

Echites difformis

Embothrium salignum sericeum v. carneum

Erica vulgaris ciliaris vagans stricta tetragona eriocephala nigrita margratacea reflexa baccans ramentacea mediterranea arborea cerinthoides minor?

Eucomis punctata

Euonymus angustifolia

Eupatorium aga para

Decumara creeping.

Diosma heath leaved.

Dragon's Head Canary.

Echites various leaved.

Embothrium willow leaved.

Heath common.

Cornish ciliated.

Upright four sided woolly headed.

Reflected berry bearing.

Mediterranean tree.

Crown Asphodel spotted.

Spindle Tree narrow leaved.

Aga Para of India.
Greenhouse Plants.

Ferraria
pavonia

Fuchsia
coccinea
lycioides

Gardenia
florida flore plena

Genista
tinctoria

Geranium
alchemilloides
v. zonale
cordifolium, several varieties
coriandrifolium
citri odora
cucullatum
cucurbitacea
cuspidatum
deltoides
Formanii
gibbosum
glutinosum
hepticifolium
inquinans
lacerum
multicuspis
matricarioides
odoratissimum
v. erecta
odora rosea
palmata
peltatum
quercifoilium
purpureum

Ferraria.
spotted.

Fuchsia or Ear Drop.
carlet.
cape.

Cape Jasmine.
double flowering.

Genista.
dyer’s broom.

Geranium or Cranes’ Bill.
ladies’ mantle leaved.

heart-shaped leaved.
coriander leaved.
lemon scented.
hollow leaved.
cucurbitaceous.
pointed.
delta leaved.
Forman’s.
gouty-stalked.
glutinous vine-leaved
hepatic leaved.
mallow leaved scarlet.
cut leaved.
many pointed.
feverfew leaved.
sweet scented.
upright sweet scented.
odor of rose scented.

ivy leaved.
oak leaved.
purple flowering.
Greenhouse Plants.

v. radula major
v. minor
speciosissima
superba
vitifolium
viscosa
undulatum
zonale
v. variegata
v. tricolor
v. flore alba
greater rasp leaved.
lesser rasp leaved.
most beautiful.
superb.
balm scented.
multifid leaved viscid.
waved leaved.
horse shoe.
silver striped horse shoe.
tricolor leaved horse shoe.
white flowering horse shoe.

Glycine
bimaculata
coccinea
rubicunda
Glycine.
simple leaved.
scarlet.
red flowered.

Gnidia
simplex
Gnidia.
simple leaved.

Gordonia
lasianthus

Loblolly Bay.
loblolly bay of Carolina.
African Fly Honeysuckle.
shining leaved.

Halleria
lucida
Heliotropium
peruvianum
Turnsole.
sweet scented.

Hibbertia
volubilis
Hibbertia.
twining.

Hibiscus
mutabilis
speciosus
grandiflora
Hibiscus.
changeable.
scarlet.
great flowered or wild cotton.

Hopea
tinctoria
Hopea.
dyer’s.
Greenhouse Plants.

Houstonia coccinea

Hydrangea hortensia

Hypericum canariensis glaucum monogynum

Jasminum azoricum grandiflorum odoratissimum sambac

Ilex cassine myrtifolia prinoides vomitoria

Illicium anisatum floridanum

Iris Chinensis

Justicia betonica

Ixia crocata fenestratis sp.

Kalmia hirsuta

Lagerstroemia indica

Houstonia scarlet.

Hydrangea changeable Chinese.

St. John's Wort canary.

St. John's Wort monogynus.

Jasmine azorian.

Jasmine Catalanian.

Jasmine yellow sweet scented.

Jasmine Arabian.

Holly dahoon holly.

Holly myrtle leaved.

Holly Prinos like.

Holly Paraguay tea.

Aniseed Tree Japan aniseed tree.

Aniseed Tree starry.

Flower de Luce Chinese.

Flower de Luce blue flowered.

Ixias crocus flowered.

Kalmia hairy.

Lagerstroemia Indian.
Greenhouse Plants.

**Lantana**
- aculeata

Myrica caroliniana
Myrsine africana
Myrtus aurantiifolia v. flore plena latifolia erecta v. variegata
Musa coccinea
Nerium oleander rubrum v. album

Bead Tree.
common or pride of China.
Fig Marigold.
bearded.
icy plant, and 2 or 3 others.
Metrosideros.
spear leaved.
linear leaved.
myrtle leaved.
Honey Flower.
larger.
Mimosa.
yellow sweet scented.
raucus.
trailing.
upright.
verticillate leaved.
Candleberry Myrtle.
aromatic Carolina.
Myrsine.
African.
Myrtle.
orange leaved.
double flowered orange leaved.
common broad leaved.
upright Italian.
striped leaved do.
Banana.
scarlet flowering.
Oleander or Rose-Bay.
red oleander.
white do.
B
Greenhouse Plants.

divaricatum carneae
latifolium filenum
v. variegatum
v. flore flava

Nyssa capitata
Olea americana europæa buxifolia fragrans

Pancratium carolinianum

Passiflora cœrulea maculata incarnata

Pæonia arborescens

Pavonia praemorsa

Phillyrea ilicifolia
v. lucida oleæfolia pendula rosmarinifolia

Phlomis fruticosa leonurus

flesh coloured sweet scented.
double flowering broad leaved.
striped broad leaved.
yellow flowering do.

Tupelo Tree.
Ogeechee Lime Tree.

Olive.
purple berried bay box leaved European olive.
Chinese sweet scented do.

Pancratium or Sea-Daffodil.

Passion-Flower.
blue-flowering.
spotted leaved.
flesh coloured.

Pæony.
tree pæony from China.

Pavonia.

Phillyrea.
ilex leaved.
shining leaved.
olive leaved.
drooping.
rosemary leaved.

Phlomis or Sage Tree.
Jerusalem sage tree.
lion’s tail.
Greenhouse Plants.

Pittosporum

tobira

Pinckneya

pubens

Polygala

bracteosa

Prinos

sp. nova

Protea

globosa

lusitanica

Punica

granatum

v. flore pleno

nana

Pyrus

japonica

Rhamnus

alaternus

v. foliis variegatis

v. foliis maculatus

incinitatus, fol. variegatis

Rhexia

lanceolata

sp. nova

Pittosporum.

Georgia Bark Tree.

pubescent.

Milk-wort.

great flowering cape do.

Winter Berry.

evergreen from Georgia.

Protea.

silver tree.

Psoralea.

bracteated.

Cherry Tree.

evergreen cherry.

European laurel.

Portuguese laurel.

Pomegranate.

pomegranate tree.

double flowering do.

dwarf pomegranate.

Apple, Pear.

scarlet flowering Japanese.

Buck Thorn.

alaternus.

silver striped leaved.

blotched leaved.

striped jagged leaved.

Rhexia.

white flowering.

a new species from Georgia.
Greenhouse Plants.

Rhododendron ponticum variegata
algarvens
ferrugineum

Rosa
lucida
multiflora
chinensis
semperflorens
v. pallida

Rosmarinus officinalis

Salvia
angustifolia
coccinea
formosa

Saxifraga sarmentosa

Sempervivum arboreum

Senecio maritima

Sida sp. nova

Smilax lanceolata
laurifolia
pubera

Solanum pseudo capsicum

Sparmannia africana

Rose Bay.
striped leaved purple.
alpine.

Rose.
shining three-leaved rose.
many flowered Japan rose.
pale Chinese monthly rose.
red Chinese everflowering
pale Chinese do.

Rosemary.
common.

Sage.
narrow leaved.
scarlet.
shining leaved.

Saxifrage.
creeping or strawberry do.

Houseleek or Sedum.
tree houseleek.

Groundsel.
silvery leaved.

Sida.
a new species from Georgia.

Smilax.
lance or spear leaved.
laurel leaved.
downy.

Nightshade.
Jerusalem cherry.

Sparmannia.
maple leaved.
Spartium
junceum
multiflorum

Sophora
capensis
tetraptera

Stapelia
variegata

Teucrium
fruticans

Thea
bohea
viridis

Vaccinium
arboreum
myrsinites

Verbena
triphylla

Viburnum
tinus
v. lucida

Westringia
rosmarinacea

Xeranthemum
fulgidum

Yucca
aloefolia

Zanthoxylum
tricarpum

Broom.
Spanish.
white Portugal.

Sophora.
cape.
winged seeded.

Stapelia.
variegated.

Tree Germander.
shrubby.

Tea Tree.
bohea tea.
green.

Whortle Berry.
tree.
myrtle leaved.

Vervain.
lemon scented.

Viburnum.
laurestinus.
shining leaved laurestinus.

Westringia.
rosemary leaved.

Xeranthemum.
shining.

Adam's Needle.
aloe leaved.

Tooth-ach Tree.
Carolina tooth-ach tree.

B 2
HARDY TREES AND SHRUBS.

Acer
dasycarpum
montanum
pennsylvanicum
negundo
rubrum
saccharinum

Æsculus
hippocastanum
flava
macrostachya
pavia

fruticosa

Ampelopsis
bipinnata
cordata
hirsuta
quinquefolia

Amygdalus
nana
v. floræ flīna

Andromeda
acuminata
arborea

Maple Tree.
silver leaved or soft.
shrubby or mountain.
striped barked.
ash leaved.
red or scarlet.
sugar.

Horse Chesnut.
common horse chesnut.
yellow flowered.
long spiked white flowering.
scarlet flowering,
and two or three other species.

Bastard Indigo.
shrubby.

False Grape.
pinnated leaved pepper vine.
heart leaved.
hairy five leaved from Florida.
five leaved ivy.

Almond.
dwarf almond.
double flowering do.

Andromeda.
evergreen acuminate.
sorrel tree or sour wood.
Hardy Trees and Shrubs.

calyculata
floribunda
canescens
frondosa
mariana
v. coriacea
paniculata
polifolia
rosamarinifolia
pulverulenta cassinifolia
racemosa

box leaved.
profuse flowering.
canescent.
leafy spiked.
leafy spiked.
leathery oval leaved.
panicled.
polium leaved.
rosemary leaved.
cassine leaved powdered.
sweet scented.

Annona
triloba
glabra

Papaw Tree.
common papaw.
smooth do.

Aralia
hispida
spinosa

Aralia.
bristly.
prickly angelica tree.

Aristolochia
sipho
sp. nova

Birth wort.
large leaved.
dowry leaved.

Artemisia
absynthium

Wormwood.
common.

Azalea
nudiflora
calendulacea flamma
v. crocea
pontica
viscosa

American Honeysuckle
common, many varieties.
flame coloured.
yellow flowered American.
yellow sweet scented Pon-
tic.
viscous sweet scented,
many varieties.

Baccharis
halimifolia

Groundsel Tree.
groundsel tree.

Berberis
canadensis

Barberry.
American.
Betula
  papyrifera
  populifolia
  serrulata
  nana?

Bignonia
catalpa
radicans

Brunnichia
cirrhosa

Buxus
  arborescens
  v. aureo-variegata
  suffruticosa

Calycanthus
  acuminatus
  floridus
  pennsylvanicus
  pubescens

Carpinus
  americana
  ostrya

Castanea
  americana
  europaea
  pumila

Ceanothus
  americanus
erythorhiza

Celastrus
  scandens

Birch Tree.
  paper birch.
  poplar leaved.
  American alder.
  dwarf birch.

Trumpet Flower.
catalpa tree.
ash-leaved.

Brunnichia.
tendril bearing.

Box Tree.
tree box.
gold striped.
dwarf box.

Sweet scented Shrub.
long leaved.
glaucus leaved.
Pennsylvanian.
downy heart leaved.

Hornbeam.
American or iron wood.
hop hornbeam.

Chesnut Tree.
American common ches-
nut.
European chesnut.
chinquapin.

New Jersey Tea.
New Jersey Tea.
red root of Georgia.

Staff Tree.
climbing.

Dutch Medlar.  Figs.

Grape Vines.  Strawberries, &c. &c.
D. & C. LANDRETH have constantly on hand, for sale, a collection of the most useful and esteemed kinds of garden seeds of their own raising, which they will warrant to be fresh and genuine of their kinds.

Orders addressed to them at the Nursery, or (during market hours) on Wednesdays and Saturdays at their stall, southwest corner of the old courthouse in Market street will be thankfully received and punctually attended to.
